<b>Optional</b>	Table module, low feet (H4cm), charging module, decorative cushion
<b>Technical description</b>	Cushioned modules with piping and wooden structure.
<b>Dimensions</b>	Custom according to chosen modules

#### DESCRIPTION

The Square Collection is a modular sofa system composed of different sizes of bases, backrests and armrests that can be combined into various compositions. The modules are assembled through a special locking mechanism. There is an optional small coffee table that can be mounted between the modules.

The lining material can be selected among different types of fabrics or leather, according to the client's needs. Piping is included as default and always matches the colour of the fabric chosen, unless differently specified. In case of different fabrics for inner and outer lining, the piping will match the colour of the inner one. Upon request piping can be omitted.

#### OVERALL DIMENSIONS

##### MODULES

Armrest Modules \*  
A1 105 x 35 x 50cm  
A2 105 x 35 x 70cm
